

# PowerTeacher Quick Reference Card

## PowerTeacher Classroom Management Tool

PowerTeacher is an essential part of the PowerSchool Student Information System. PowerTeacher is a web portal to PowerSchool that concentrates all of the features teachers need in one spot, including a web-based gradebook. Whether you teach at an elementary school or a secondary school, use PowerTeacher on a daily basis to help manage your students' information.

## Signing In to PowerTeacher

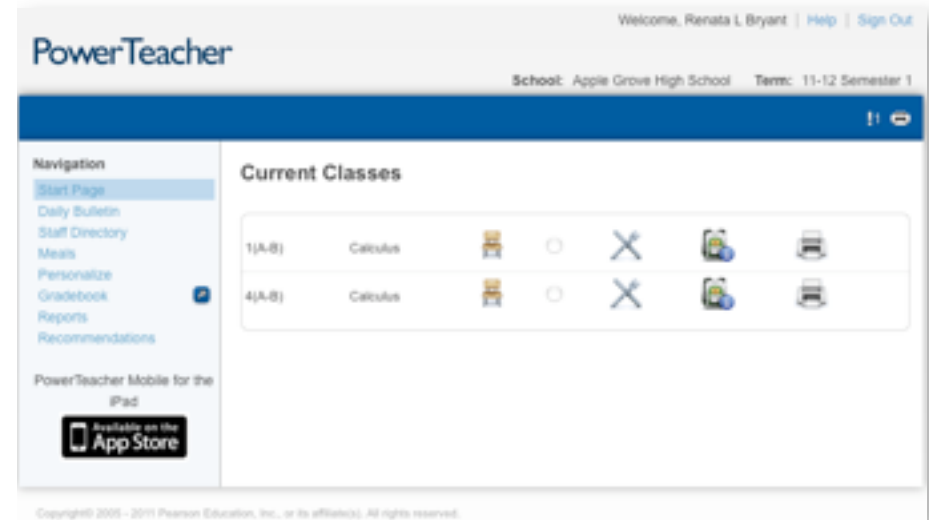

Use PowerTeacher anywhere you have access to the Internet. Its features and functions are tailored to duties and responsibilities teachers handle day to day.

### To sign in to PowerTeacher:

1. Open a web browser (such as Safari, Firefox, or Internet Explorer)
2. In the browser address bar, enter the address of your PowerSchool server followed by `/teachers`
3. Press **Enter**
4. On the Teacher Sign In page, enter your username and password
5. Press **Enter** to sign in to the PowerTeacher Start Page

## Navigating PowerTeacher

The PowerTeacher Start Page serves as the central point from where you begin your PowerTeacher session. The Start Page consists of the following areas: the Header, the Navigation toolbar, the Navigation menu, and Current Classes.

## Personalizing PowerTeacher

Follow the directions below to set your PowerTeacher personal preferences.

### To change your password:

1. Navigate to **Start Page > Personalize**
2. Click **Change Password**
3. Enter the old password
4. Enter the new password
5. Verify the new password by entering it again
6. Click **Submit**

### To set the default student screen:

1. Navigate to **Start Page > Personalize**
2. Click **Default Student Screen**
3. From the Default Student Screen menu, select the screen
4. Click **Submit**

### To show or hide the section numbers on the PowerTeacher Start Page:

1. Navigate to **Start Page > Personalize**
2. Click **Display Section Number**
3. From the Display Section Number on the PowerTeacher Home Page menu, select **Yes** or **No**
4. Click **Submit**

## Taking Attendance

As soon as teachers take attendance, student attendance information becomes available to school administrators, parents, and students.

1. Navigate to **Start Page > Chair icon** (next to the class for which you want to take attendance)
2. Select the date, if other than today
3. Select the current attendance code
4. Click the cell next to a student's name to assign that code
5. Click **Submit**

Note: Even if all students are present, teachers should click the Chair icon to open the attendance screen, and then click **Submit**. This tells PowerSchool that the teacher has taken attendance.

## Submitting Lunch Counts

Whether you submit the lunch count for your students during homeroom or for yourself during another class, the count is included in the PowerLunch Class Counts report.

1. Navigate to **Start Page** > Utensil icon (next to the class for which you want to submit a lunch count)
2. Enter the number of student breakfast orders
3. Enter the number of student lunch orders
4. Enter the number of student a la carte orders
5. Enter the number of milk orders
6. Enter the number of adult breakfast orders
7. Enter the number of adult lunch orders
8. Enter the number of adult a la carte orders
9. Enter the number of other orders
10. Click **Submit**

## Viewing Student Information

Access the student information screens by clicking the Backpack icon for a class, then clicking a student's name. More than a dozen student screens are available through the Select screens menu. The following table provides a brief explanation of the student information screens available in PowerTeacher.

1. Navigate to **Start Page** > Backpack icon (next to the class you wish to view)
2. Click a student's last name
3. Select a screen

Student Screen	Description
Cumulative Grade Information	Displays the student's GPA and class rank information. Schools decide what information appears on this page.
Demographics	Displays the student's basic demographic information. It also contains an email link to the parent or guardian.
Graduation Plan Progress	View the student's progress toward graduation based on his or her chosen graduation plan.
Meeting (or Daily) Attendance	Displays a student's attendance record for the entire term for every course in which he or she is currently enrolled.
Net Access Summary	Displays a summary of the number of times that the parents and student have accessed PowerSchool via the Internet.
Print a Report	Use this page to select a school-created report to print for the student.
Quick Lookup	Displays a summary of the student's current grades, teachers, and attendance for each class. Click the blue links to access additional information.

Student Screen	Description
Recommendations	Displays the teacher's course recommendations for the student.
Schedule	Displays the student's current class schedule.
Student Photo	Displays the student's photo if available.
Submit Log Entry	Use this page to create a log entry for discipline or other anecdotal information for the student's permanent record.
Teacher Comments	Displays comments entered by the student's teachers. Comments can be free form or selected from a comment bank. Comments that are published can be viewed by parents or students via the PowerSchool Student and Parent Portals. Your school decides whether this page is active.
Term Grades	Displays the student's stored grades for the current year.

## Making a Recommendation

The Recommendations List page is a student information screen available in PowerTeacher. Use this page to make course recommendations for a student.

1. Navigate to **Start Page** > Backpack icon
2. Click a student's last name
3. From the Select screens menu, select **Recommendations**
4. On the Recommendations List page, click **Create New Recommendation**
5. Enter the course number of the recommended course
6. Select the scheduling year to which the recommendation applies

## Submitting a Log Entry

The Submit Log Entry page is a student information screen available in PowerTeacher. Use this page to create a log entry for discipline or other anecdotal information. Log entries are added to the student's permanent record.

1. Navigate to **Start Page** > Backpack icon
2. Click a student's last name
3. From the Select screens menu, select **Submit Log Entry**
4. In the Subject field, enter a title for the log entry
5. In the Log Entry field, enter a description of the problem
6. Click **Submit**

The screenshot shows the 'Submit Log Entry' form. At the top, it says 'Submit Log Entry' with a printer icon and a 'Select screens' dropdown menu. Below that, the student information 'Anderson, Riley 12 24 AGHS1' is displayed. The form has three main sections: 'Date' with the value '06/10/2011', 'Subject' with a text box containing 'Fighting', and 'Log Entry' with a larger text box containing 'Student was fighting with Martin Hemingway in the hallway.' A blue 'Submit' button is located at the bottom left of the form.

## Printing PowerSchool Reports

Teachers can print school-related reports such as form letters, report cards, and mailing labels for individual students, one section of students, or for students in all of the sections they teach provided that they have been given the needed permission rights. Only those reports that a teacher can print will be available in the PowerTeacher print reports menu.

### To print PowerSchool reports for an individual student:

1. Navigate to **Start Page** > Backpack icon
2. Click a student's last name
3. Select the screen **Print A Report**
4. Select which report you would like to print
5. Select the watermark text, if applicable
6. Select the watermark mode, if applicable
7. Select when to print the report
8. Click **Submit**

The screenshot shows the 'Print A Report' form. At the top, it says 'Print A Report' with a printer icon and a 'Select screens' dropdown menu. Below that, the student information 'Anderson, Riley 12 24 AGHS1' is displayed. The form has four main sections: 'Which report would you like to print?' with a dropdown menu set to 'Class Attendance Audit', 'Watermark Text' with a dropdown menu set to 'Confidential' and an empty text box below it, 'Watermark Mode' with a dropdown menu set to 'Watermark', and 'When to print' with a dropdown menu set to 'ASAP' and a date/time input field. A blue 'Submit' button is located at the bottom left of the form.

## Viewing the Daily Bulletin

The Daily Bulletin is a tool for administrators, secretaries, counselors, teachers, and staff to post announcements, messages, and reminders to other staff, students, and parents. It is an online bulletin board. Teachers view the Daily Bulletin through PowerTeacher.

1. Navigate to **Start Page > Daily Bulletin**
2. View the current day's bulletin message(s)
3. To view bulletin items from other days, click one of the calendar icons on the page and select a date
4. To submit a new bulletin item, click the administrator email address at the bottom of the page

## Staff Directory

Teachers access the staff directory through PowerTeacher. The Staff Directory defaults to the list of all staff members, but it can be sorted by staff type. Each staff member's name, room number, email address, home phone number, and school phone number are shown.

### To display filtered lists:

1. Navigate to **Start Page > Staff Directory**
2. Click **All** to display the list of all staff members
3. Click **Teachers** to display the list of teachers
4. Click **Staff** to display the list of other staff members, such as office staff and administrators
5. Click **Lunch Staff** to display the list of lunch staff
6. Click **Substitutes** to display the list of substitute teachers and staff members

### To email a staff member:

Click the email address link next to the person's name

### To email a group of staff members:

Copy and paste the email addresses found in the Group Email field at the bottom of the list into your email client

## Meals

If your school uses PowerLunch, then use the Meals page to view your current meal balance and meal transactions. This is a view-only page. Navigate to **Start Page > Meals**
