

Policy

RESIGNATION

The Passaic Board of Education will enter a contract with each nontenured teaching staff member providing, in part, for the termination of employment by either party on proper notice. Proper notice of the intent to terminate employment shall be given by either party at least 60 days before the last day of employment. An employee's resignation must be tendered to the board through the superintendent who may accept the resignation on behalf of the board. Any such acceptance of a resignation will be ratified by the board at its next meeting.

A tenured or nontenured teaching staff member who offers insufficient notice of resignation will be paid only through the last day of service. In addition, the board may notify the Commissioner of Education of any tenured teaching staff member who terminates his or her position without having given sixty days' notice to the board and without the express permission of the board. The certificate of any such member may be suspended.
